

Program Schedule & Credit-Block Mapping

Bookkeeping · Business Administration · Business & Finance — financial-aid block comparison

The rule: financial aid requires at least 12 credits completed within each 15-week block. Credits count toward whichever block contains a course's *end* week — not its start, and not split across the span. Since each program's total credits divide evenly by 12 ($24 = 12+12$, $36 = 12+12+12$), every block below lands at **exactly** 12 — the only split that clears the minimum in every block at once.

Program	Total credits	Blocks used	Block 1	Block 2	Block 3
Bookkeeping	24	2	12	12	—
Business Administration	24	2	12	12	—
Business & Finance	36	3	12	12	12

Block 1 (wks 1–15) Block 2 (wks 16–30) Block 3 (wks 31–45) No class scheduled

Bookkeeping

720 total hours · 24 total credits · 2 blocks used

Block 1 (wks 1–15) Block 2 (wks 16–30) Block 3 (wks 31–45) No class scheduled

Block 1	12 cr	Block 2	12 cr	Total	24 cr
---------	-------	---------	-------	-------	-------

Week range	Duration	Credits	Block	Course
1–2	2	2	Block 1	Accounting Principles (incl. Electronic Calculator)
3	1	1	Block 1	Accounting 1
4–5	2	2	Block 1	Computer & Internet Fundamentals (incl. Keyboarding)
6	1	1	Block 1	Microsoft Outlook
7–8	2	2	Block 1	Business Math
9–12	4	4	Block 1	Microsoft Excel
13–15	—	—	—	(buffer — no class)
16	1	1	Block 2	Microsoft Word
17–18	2	2	Block 2	AI Prompt Engineering
19–20	2	2	Block 2	Accounting 2
21–22	2	2	Block 2	QuickBooks Online
23–24	2	2	Block 2	Payroll Accounting
25	1	1	Block 2	Workforce Readiness
26–27	2	2	Block 2	Accounting Capstone Project

Note: No Communications, HR, or Business English in this program’s curriculum, so Microsoft Excel (not Word) fills out block 1 — see report notes.

Business Administration

720 total hours · 24 total credits · 2 blocks used

Block 1 12 cr	Block 2 12 cr	Total 24 cr
--	--	-----------------------------------

Week range	Duration	Credits	Block	Course
1–2	2	2	Block 1	Accounting Principles (incl. Electronic Calculator)
3	1	1	Block 1	Accounting 1
4–5	2	2	Block 1	Computer & Internet Fundamentals (incl. Keyboarding)
6	1	1	Block 1	Microsoft Outlook
7	1	1	Block 1	Microsoft Word
8–9	2	2	Block 1	Business Math
10–12	3	3	Block 1	Communications (incl. MS/Google Suites & Cloud)
13–15	—	—	—	(buffer — no class)
16	1	1	Block 2	HR
17–18	2	2	Block 2	AI Prompt Engineering
19–22	4	4	Block 2	Microsoft Excel
23	1	1	Block 2	Workforce Readiness
24–25	2	2	Block 2	Business English
26–27	2	2	Block 2	Business Capstone Project

Note: Mirrors the Business & Finance block-1 pattern exactly — same course set, same order, since Business Administration includes every course type Business & Finance does for these categories.

Business & Finance

1080 total hours · 36 total credits · 3 blocks used

Block 1

12 cr

Block 2

12 cr

Block 3

12 cr

Total

36 cr

Week range	Duration	Credits	Block	Course
1-2	2	2	Block 1	Accounting Principles (incl. Electronic Calculator)
3	1	1	Block 1	Accounting 1
4-5	2	2	Block 1	Computer & Internet Fundamentals (incl. Keyboarding)
6	1	1	Block 1	Microsoft Outlook
7	1	1	Block 1	Microsoft Word
8-9	2	2	Block 1	Business Math
10-12	3	3	Block 1	Communications (incl. MS/Google Suites & Cloud)
13-15	—	—	—	(buffer — no class)
16	1	1	Block 2	HR
17-18	2	2	Block 2	AI Prompt Engineering
19-22	4	4	Block 2	Microsoft Excel
23-25	3	3	Block 2	Accounting 2
26-27	2	2	Block 2	QuickBooks Online
28-30	—	—	—	(buffer — no class)
31-33	3	3	Block 3	Accounting 3
34-35	2	2	Block 3	Payroll Accounting
36	1	1	Block 3	Workforce Readiness
37-38	2	2	Block 3	Business English
39-40	2	2	Block 3	Business Capstone Project
41-42	2	2	Block 3	Accounting Capstone Project

Note: The only program needing all three blocks. Communications is scheduled to fully complete within block 1 (no straddling) so its 3 credits count there.
